The boy William Cropper mentioned
in your letter of the 23^d inst was

stated to have been "occasionally violent."
Such is not the case; on the contrary
he is perfectly quiet and innocent and
free from all restraint -
Apologizing for the mistake
I have the honor to be
Sir,
Your most Obedt. Servant
W. Eddowes.

concerning a boy named William Cropper. Previously described as 'occasionally violent', Cropper was now seen as 'perfectly quiet'; the previous description is now an alleged mistake.
