

Management Board meeting summaries - March 2010

Management Board Terms of Reference

The Board reviewed the Management Board's current Terms of Reference (ToR) for final draft approval at the June Board meeting.

Strategic Risks review

The Board began a preliminary review of strategic risks, deferring the substantive discussion until the Board meeting in early June.

Snapshot

The Head of Collection Care and members of her team updated the Board on a programme to improve energy efficiency and responsible environmental stewardship across The National Archives.
