	Content can include: Name, date of birth, age on joining, salary and sometimes date, particulars (appointed as, advanced to etc), remarks, money advanced/bonus, date joined superannuation fund, date of appointment, office
Physical Format and Condition	50 pieces containing approximately 9400 images and 63,500 records. Bound ledgers approximately >A5 to A2 in size. Bound hard back books containing handwritten text on printed forms. Books are of varying thickness and generally in good condition but with some showing quite dirty page edges and cramped text. Text can sometimes be close to centre of the bindings and pages edges. Some content is a single page per individual and in others an individual's record is a few lines across a double spread. There is often an alphabetical index by name at the front of the book. Contains some blank pages.
Popularity	Between 1st July 2008 and 1 st July 2009 this series of records was requested in the reading rooms at The National Archives some 126 times. In a package with other related material it is expected to be of greater interest to the public. Popularity would also be greatly increased by improved ease of access.
