

**SUMMARY
THE NATIONAL ARCHIVES'
RECORDS DECISION PANEL, 22 OCTOBER 2013**

Further selection for HO382 Aliens Personal Files

The panel agreed that the selection of files for HO382 would cease after 1960 because they were selected only to show the development of immigration policy, and after 1960 a separate policy series was created. Accessioning the selected HO382 files up to 1960 will complement the HO405 series which is due to finish transferring to The National Archives by end 2013 and will consist of 60,000 files. This is in line with the [Records Collection Policy of 2012](#) and [OSP 48: Case files](#).

AI-Sweady Public Inquiry

The panel agreed the selection of records from the AI-Sweady Public Inquiry, in line with the published [retention schedule for public inquiries](#).

Update to Operational Selection Policy 27 – UK Central Government Web Estate

A draft was presented for a revised edition of OSP 27 to reflect the proposed archiving of social media e.g. Twitter feeds of departments of state, non-ministerial departments and serving Cabinet members only.
