

**MED & N.AFRICA: WHERE WILL THE ALLIES INVADE?**

**Photograph found on Major Martin when his body was washed ashore in April 1943.**

Catalogue ref: WO 106/5921

**What would German intelligence have known at the time?**

1. They would not have known who the woman was, but they probably would have guessed.
2. They would have been shown copies of the post mortem on Major Martin that showed that he drowned (see opening of task).

What conclusion do you think they reached after studying this photograph?
