The Will begins with the name of the person making the Will, (testator for men, testatrix for women). It also stated the Parish where she lived.

First beneficiary Description of First beneficiary which is usually the Husband Allife or next of Kin.

Final Beneficiaries This would cover servants and friends and the will would often specify their relationship to the testator or testatrix.

Chief beneficiaries This was usually members of the immediate family.

Date of Will The Will was signed by the testatrix, the date here is 27th April 1817, often the names of witnesses would be given.

Executor or Executrix The will would name a person or persons responsible for carrying out the wishes given in the will.

Probate Clause The Will has to be proven in Law otherwise it is not valid. This section is where you will find the probate date. In this case 10th September 1817, this section also includes where the will was proved.
