Scope of the Re-use of Public Sector Information Regulations 2015

**TYPE OF BODY**

Are you:
- a public sector body already in scope of the 2005 Regulations
- listed in s. 3(1) of the 2015 Regulations
- a body that acts to meet needs in the general interest, and is not industrial or commercial
- a public sector museum, gallery, library, university library or an archive?

**IN SCOPE**

Yes

No

In scope

**TYPE OF INFORMATION**

Does the public sector information within your public task come from:
- a public service broadcaster
- an educational or research establishment
- a cultural establishment (other than a library (including a university library), museum or archive)
- only a logo, crest or insignia
- personal data that must be protected?
