REMARKS

1. The *Short Title* is normally the name of the present owner, unless that of the estate or family chiefly concerned is more distinctive
2. The *Parish* and *County* are those in which the MSS *actually are*
3. The *Places concerned* should be the main places to which each class of documents relates, using one line for each place named
4. For further details see "Notes on Reporting" and the relevant "List of Classes"
5. Use one or more lines for each place-name adding any description such as *Hundr(ed)*, *P'sh*, *Rect(ory)*, *Hill*, *Manor*, etc., after the name and inserting a contracted form of the county in the right hand sub-column, thus :
