NATIONAL REGISTER
OF
ARCHIVESA1 WHARNCLIFFE WOODMOOR & CARLTON MAIN
COLLIERY & WATER WORKSCARLTON (NEAR BARNESLEY) MINERAL ESTATE

Various plans	1890-1924
Section of Barnsley coal railway	
Section proposed extension of Carlton coal railway	1870 (?4)
Surface plan of colliery and surroundings	1876
Surface plan in relation to proposed new lease	1894
Sale of land at Carlton (various plans)	1905
Extension of workings in the Mapplewell Field	1899
Plan of sidings	n.d.
Workings in Kents Thick Seam near Carlton Lane	1911
Plans and notice concerning pillar under Carlton Church (Colliery worked by The Yorkshire and Derbyshire Coal and Iron Co Ltd)	
Plans	1879
Notice	n.d.
Faults and Drift from Kents Thick to Haigh Moor coals	n.d.
Plan of pillar round new shaft to Haigh Moor	n.d.
Printed plan showing land owners, depths and railways for some miles around Carlton	c.1890
East Gawber colliery, royalties plan	1889
Workings plan near Carlton School	
Proposed railway to Barnsley Canal and Midland Railway and connecting Wharncliffe Woodmoor and Carlton Main colliery	n.d.
Wharncliffe Woodmoor seam workings (two copies)	1876
Wharncliffe Woodmoor surface and workings plan in relation to proposed new village	1897
Wharncliffe Woodmoor Haigh Moor workings in February	1912
Probable section at Wharncliffe Woodmoor	n.d.
Wharncliffe Woodmoor: Pillars near shafts	1894
Carlton quarry plan	n.d.
Hull/Barnsley branch railway, proposed plan	
Shaft plan, Limolus Inn	1894
Midland Branch railway plan	1887
Monk Bretton Triangulation survey	1920
Plan, Kent seam	1911
Carlton village plan	1909
Carlton estate plan showing lines and cost of proposed railways to colliery	n.d.
Thin coal plan at St Helens (near Staincross) shows old workings by Green in Winter Bed	1884
Carlton coalfield plan and section	1856
Wharncliffe Woodmoor: site of proposed new pit	1905
Carlton reservoir plan	n.d.
Wharncliffe Woodmoor: tracing of lease plan from Wharncliffe plan of coke ovens and shaft sites	1876
Carlton waterworks pipe plan in main road	1896
Wharncliffe Woodmoor: workings in Winter seam	n.d.
building land at Carlton	1881
Carlton: plans of properties in village	1875
Wharncliffe Woodmoor: plan of railways	n.d.
	1891

DURNFORD & WOOD MSS Continued

A1	Carlton: estate plans as referred to by lease of (to Yorkshire and Derbyshire Co)	1866
	Barrier in Barnsley seam	1888
	Carlton coalfield: lease plan to Craik and Co	1865
	Arrangement plan between Craik and Beardsall	n.d.
	Carlton Main: plan of posts to be worked	1886
	Barnsley area coalfield: general plan of pits to north and immediate east of Barnsley with worked royalties	n.d.
	Barnsley coal railway: copy plan proposed branch to Carlton	n.d.
	Rosa main colliery: surface land for sale at crossing Wakefield and Barnsley Road and NSLR	1889
	Carlton Main: Barnsley seam workings	1888
	Wharnccliffe Woodmoor: pillar to be left under school	c.1881
	barrier and workings in Barnsley bed	1913
	pillar in Barnsley bed	1888
	Carlton estate: coal section	1884
	Wharnccliffe Woodmoor: proposed additional sidings from GCR	1911
	surface plan with deep seams marked	1901
	surface occupation plan	1894
	Carlton Main: workings in Barnsley bed adjoining shafts	n.d.
	Carlton Waterworks: levels of conduit	n.d.
	plan and section of supply from St Helens Springs	1876

MISCELLANEOUS PAPERS

Papers relating to workings in deep seam with advert concerning The New Calyx Drill and Boring Co Ltd (of Millwall) with photo and details of cores from bore in pit bottom at Mirfield Colliery	1900-07
Extracts from lease relating to liability for laying down surface	1899
List of debentures belonging to Earl Wharnccliffe	1888-95
Wharnccliffe Woodmoor: extract from lease referring to disposal of excess water (re waterworks supply)	
Balance sheet	1913

B WHARNCLIFFE SILKSTONE COLLIERY

Plan of pillar to be left at Bromley	1907
General surface plan with Whinmoor workings	n.d. (post 1894)
General surface plan Lidgett workings	n.d.
Whinmoor coal and proposed method of working at:	
Wortley	1903
Parkgate	n.d.
Fenton	n.d.
Silkstone	n.d.

DURNFORD & WOOD MSS Continued

C1 DEEPCAR, WHARNCLIFFE WOOD, OUGHTIBRIDGE & HUNSHELF
COAL, GANNISTER, POT CLAY WORKS & QUARRY
 (See also Wortley Water Works)

Plan of elevations of Florence Buildings, proposed alterations (Works cottages)	1884
Workings in coal and gannister near Oughtibridge	n.d.
Gannister mine plan	1896
Coal under Stocksbridge railway, proposed sale, Railway Co	n.d.
Deepcar workings and proposed new level	n.d.
Wharncliffe Wood pot clay works plan and section	1898
Surface plan, roads and railways	1901
Rough plan of seams	1881
Mineral field plan	
Surface and workings plan near Deepcar station	1908
Workings plan	1904-15
Plan of seam faces at Oughtibridge	
Works at Deepcar station, layout plan	1908
Proposed new tramway and drift in Wharncliffe Wood	
General plan of workings	n.d.
Oughtibridge pillars plan	1880
Deepcar workings plan	1887
Deepcar clay and brick works plan	n.d.
Deepcar clay plan showing arrangement of mill and clay and brick works	1896
Deepcar clay and brick and gannister works, plan showing arrangement of clay and gannister works (copy)	1908
Deepcar gannister works, plan of surface	1883
Plan of works and surroundings at Deepcar	1908
New lease plan of surface	1890
Section of drift to pot clay shaft	1883
Wharncliffe to Lowood (pot clay) lease plan and covering letter	1881-82
Geological plan of Wharncliffe wood	1909
Tin Mill dam plan	1889
Lowood's Wharncliffe colliery, surface plan	1883
Wharncliffe to MS and LR plan of land near Deepcar Station	1867
Wharncliffe Wood plan showing old workings to east of Deepcar station	1873
Suggested scheme of levels	1892
Building land at junction Don and Little Don	1875
White Car clay near line of Stocksbridge Railway	n.d.
General plan and lease of minerals Wharncliffe Wood	1881
Detailed plan of workings at Wharncliffe	1892
Hunshel: Halifax hards, working plan	c.1875
Section of strata at Oughtibridge Green	1850

C2 MISCELLANEOUS PAPERS

Proposals for working colliery at Gilbert Plain	
Oughtibridge Colliery: costings of pillars	1880
copy conditions of letting	1856
Mining Engineer's report on colliery	1873
Extract from lease of land for building	1876
Output figures (from various levels)	1892
Estimate for erection of shed and kiln	1876
Correspondence and agreement relating to Gilbert Plain quarry	1913

DURNFORD & WOOD MSS ContinuedD MAPS & PLANS6" ORDNANCE SURVEY:

1st edition sheets covering Langsett and Tankersley endorsed Fentons
Estate at Hunshelf and Mi-dhope as (MSS additions)

2nd edition 4 x quarter sheets centering on Netherton
4 x quarter sheets centering on Woolley

1st edition sheets 247 and 248, 261 and 262 (with later railways)

25" ORDNANCE SURVEY:

E EAST GAWBER COLLIERIES

East Gawber Hall Colliery:	workings in Barnsley bed	1886
East Gawber:	Workings	1887
	Proposed barrier	1887
	Working plan	1880

F NEW HALL ESTATE

Plan of faults in Flockton New Hards	?	1892
Plan of workings in the Flockton Thin at New Hall Wood (shows line of old water level)	n.d.	
Lane End Pits plan of workings in Flockton Old Hards		1892
Plan showing general layout of railways from Flockton area to Calder and Hebble Navigation	n.d.	
Sale plans and particulars		1858 & 1863

DURNFORD & WOOD MSS Continued

F	Plan of workings from Prince of Wales Pit (leased to Lister Kaye)	n.d.
	General plan of estate	n.d.
	Plan accompanying new lease to Lister Kaye	1874
	Workings in Cromwell seam	1858
	with amounts worked to	1877
	Exchange between Kaye and Stansfeld	n.d.
	Coal proposed to be let to Stansfelds	1877
	(In Shitlington) Estate sale plan	1868
	Plan of minerals adjoining Middlestown	n.d.
	Wheatley Lime Coal worked by Stansfelds (recte Stansfeld)	
	Coals leased by Stansfeld under estates of Lord Wharnccliffe and Beaumont of Bretton marked on first edition 6" OS	
	Boundaries Plan	n.d.
	Stansfelds' holdings	1883
	Draft lease of coal to Lister Kaye	1893

G HOUSELEY ESTATE

	Houseley estate, shows engine plane and dayhole	1893
	Housleley Hall: building land	1902
	estate sale plan	1881
	Colliery plan	3.1906
	Various estate plans	1892
		n.d.
		1914
		1913
	Houseley Colliery plan of Whinmoor seam	1909
	Houseley estate, plan showing colliery workings	1884
	25" OS sheet (part) showing area of proposed sale	1913

WORTLEY HALL & ESTATE

	Plan of Hall and outbuildings and private water supply arrangements	n.d.
	Plan of Ashes Pond	n.d.
	Ashes Pond engineering drawings	
	Waterworks (see also Deepcar etc. coal etc)	
	Plans of proposed Gilbert Plain reservoir	1887
	Plans and elevations of proposed rustic house	1873
	Plan of reservoir and workings near Deepcar Station	
	Plan of Howbrooke reservoir - sections showing workings of Deepcar gannister mines	1890

MISCELLANEOUS PAPERS

	Waterworks: Book of levels	1903-07
--	----------------------------	---------

DURNFORD & WOOD MSS ContinuedI PLANS

Coal in Kimberworth to be leased to G Chambers & Sons	1886-88
Warren Vale Colliery minerals adjoining Quarry Hill Lane (re J and J Charlesworth)	1910
Check Survey	1910
Thrybergh Hall Colliery: surface plan between Don Pottery and Kilnhurst	1900 & 1910
Thrybergh Hall and Denaby Main Collieries: Exchanges	n.d.

J1 MISCELLANEOUS

Snowden Hill estate (in Hunshelf)	n.d.
Stocksbridge railway:	
Deposit/plan of first section from Deepcar Station towards Stocksbridge (sheet 1)	n.d.
Plan of land and workings under	n.d.
Extracts relating to easements of Earl of Wharncliffe through lands belonging to Fox & Co of Stocksbridge railway	1882
Stocksbridge plan of Halifax soft coal leased to Fox and Co	1881
Wharncliffe to Gregory: copy of plan estate adjoining Wortley-Chapeltown Road	1892
Cortonwood Collieries Ltd., Parkgate seam workings	1917

J2 MISCELLANEOUS PAPERS - EARL FITZWILLIAM'S MINERAL ESTATE:

Correspondence concerning working of Kent's Thick coal in estates of Chapter of Southwell in Rawmarsh parish.	1904
Extract and correspondence concerning lease to Parkgate Iron Co Ltd (referring to use of Greasborough Canal and railways)	1876-93
Mineral Estate: correspondence	1894-1905
Heads of agreement as to working out pillars in Parkgate coal at Scholes	1914
A dimensions of coal to be left under Elsecar drift at Thorncliffe Collieries (Newton Chambers)	1881
Rotherham Main Colliery: Papers relating to amounts of coal worked	1909-14
Register of coals worked at Aldwarke Main and Carr House Collieries	1889-1910
Sections of strata at Hoyland, Silkstone, Barrow and Rockingham collieries.	n.d.
Orgreave Colliery: coal worked during year	1877-78
Carr House Colliery: details of area of coal worked on termination of lease	1915

DURNFORD & WOOD MSS ContinuedJ3 OTHER COLLIERY PAPERS

Sections of strata between surface and Silkstone seam at Barrow Colliery, Barnsley.	1876
Particulars of Hilltop House at Cawthorne and estate at Thurgoland including mineral valuations (Bramah's property)	n.d.
List of seams in south Yorkshire coalfield with various (and interesting) details. [c. 1900]	n.d.
Springfield Main Colliery plan (estate of James Addy)	1886

K1 EARL OF ELDON'S ESTATES IN CO. DURHAM

Colliery workings plans, all of the Chilton Colliery estate.

K2 MISCELLANEOUS

Valuation of Durham estate	1926
General letter books covering Eldon, South Durham, Nunstainton, Mainsforth and Chilton Collieries, Seaton Carew estate and Salt Pans, Aycliffe Limestone Quarries and including references to China Clay and Marle pits in Dorset, Carlton Iron Co., Chilton Limestone Quarries.	1864-78 1887 1889-90 1892 1894-1933
These folders include agents letters, in and out reports, valuations and plans.	

L1 H ST.J. DURNFORD, MINING ENGINEER

Copy letters books [2 volumes].	1890-91 1891-93
---------------------------------	--------------------

M1 MINERALS (CASTINGS) BOOKS

Hunshelf minerals	1860s-20thC
Aldwarke Main Colliery	(various dates)
Roundwood Colliery	
Orgreave Colliery	
Lowood's Wharnccliffe Colliery	
Green Moor Quarry	
Oughtibridge Clay Pit	
Wharnccliffe Minerals rents accounts.	1874-94 1911-16 1907-15
letters	
Durnford and Wood copy letters book	1907-09
